I wish to apply to the above GWS for the following connection type:

Domestic Connection Land Connection Additional Land Connection (500.00)

Service Site Existing Dwelling

This application must be accompanied by:

1. Map Of Area of Proposed Dwelling (outlined in Red on the Map)
2. A fee of €1,700.00 paid by the applicant to the above named Scheme (please make the Cheque payable to Callow Lake GWS)

The Following are the GWS's Conditions for Connection:

The full connection fee paid to the above Group Water Scheme.

The above GWS will complete your connection and supply a meter and a stopcock.

On completion you, the applicant, will pay to the Scheme the full cost of parts, labour and any other expense incurred. (The cost of this connection work is determined by the distance pipework has to be extended, as well as insurance costs etc.)

All connection work to be carried out in accordance with the specifications laid down by the Group Water Scheme including point of mains connection, pipe size and standard.

Should a road opening licence be required: you the applicant will pay the cost in full of this licence.

You the applicant agree to be bound by the Membership Byelaws/Regulations of the above Group Water Scheme. This agreement will include your agreement to become a Shareholder of the GWS Co-op Society Ltd. and pay the annual water charge to the scheme. Failure to pay will result in disconnection of supply. All pipework will remain/become the property of the above Group Water Scheme including stop valves, chambers and links to the main water line.

In the contracts for any future sale of the property you must include a provision that the purchasers understand that they are becoming a member of the above Group Water Scheme. This agreement will include their agreement to pay the annual water charge to the scheme. In the case of non-payment, supply will be discontinued.
